How easy should it be to find information on the webpage?

73 responses

 Copy chart

Copy chart

- All information should be accessible within 1-2 clicks
- Some content can be organized under main categories for easy navigation
- A search bar will suffice for finding specific information
- No strong preference
- all of the above po

COMMENTS AND SUGGESTIONS

What other sections would you like to see on the Website?	No. of Respondents
The Capstone project that been approved, it's for the incoming students for them to see	1
achievements, opportunities	2
Events: Pictures and Information or Details	2
Announcements	3
Academic Programs	1
Faculty Profile	1
Projects done by the College, Faculty and Student Organization	1
Courses Offered	1

Admission	1
Internship	1
Tutorial on How to Navigate the Website	1
Seminars	1
List of Professionals who Graduated in MarSU	1
Important Notifications	1

What question/s would you like to see in the Frequently Asked Questions (FAQ) section that are important to you?	No of Respondents
How can i see the list of faculty and staff position?	1
How can i see the job opportunities that my program offers?	1
Sa paano paraan ko makikita ang program description?	1
how can survive this semester	1
Financial aid	1
How can I comply on my missed activities?	1

Where and how I can see my future professions next semester?	1
HOW CAN I SEE MY INFORMATION?	1
Saan ko pwedeng makita ang mga subject na inenroll	1
Can I shift from IS to I/T (or I/T to IS)? How?	1
How can I see the List of Programs/ subjects?	1

We don't know what other questions students can ask or who they are, there should be a specific "ask questions" or search features section just in case, they can put in what question they want to answer or say, and then the web will just generate it to receive their questions.	1
Where is my room?	3
What are the courses in this program?	1
Can I pass my activity even if its too late?	1
How do I reserve a room in the library or access study spaces?	1
How can I see the final list of students in my section?	1
How to get easier fix my institutional account even not going to the campus?	1
How do I use this Webpage	1

Do you have any suggestions for improving the webpage?
I guess add some features that can help a students to be more knowledgeable when it comes to knowing the background of CICS
Sa akin pong suggestions mag add din po Nang mga narration about po Sa mga events not only na pictures po Yun Lang po
Pede poba ma dedict kung sino yung cheater sa exam
mas maimprove po yung GUI more interactive and simple and mas malinis tingnan po sya
please include if it is level what aaccup accredited
Sana naganotif sya kapag May mga update 😊
Search feature to help users quickly find specific information and the accessibility
Optimization of webpage
sana pwede sya ng offline if ever.
Improving a college webpage involves enhancing functionality, usability, and visual appeal while ensuring that information is easy to find.
Sana ay mas ma-improve pa po yung design
Mapadali ang proceso ng pag clearance
Just make the webpage more presentable and easy to access

I would like to recommend a precise and icon buttons so that we can easily navigate this webpage through image?
